BMP JBS#3

TITLE: PESTICIDE MANAGEMENT

Regulatory Citation: 6 NYCRR, Part 325, 325.4, 40 CFR Sections 150-189

Applicability: Management of pesticides used at JBS

Purpose: Ensure that pesticides applied at JBS are used and stored properly.

Person or Department Responsible: Supervisor, Brickman Group
Director of Environmental Health & Safety (EHS)

Schedule: As pesticides are used or stored on site.

Procedures: At a minimum, pesticides will be stored and applied in accordance with instructions on the label. Cleaning and disposal of used containers will also be done in accordance with instructions on the label. Containers shall be kept closed and any ripped bags immediately repaired or placed in heavy duty clear plastic bags to contain spills and keep the label visible.
