RE: Hudson Valley Community College STARTUP NY Campus Plan For Designation of Tax-Free Areas

SUMMARY

Hudson Valley Community College wishes to amend its current STARTUP NY Campus Plan which was approved in May 2022. The current plan includes 187,825 square feet of off-campus space, 11.25 acres of vacant land and 13,557 square feet on-campus space designated as tax-free areas (TFA's).

In this request for a Campus Plan Amendment (CPA) we seek to add one NEW space in Malta to accommodate an existing and growing STARTUP NY company, transferring from the UAlbany STARTUP NY program. The additional OFF-CAMPUS space would add new vacant space near HVCC North campus. The addition of the newly designated will total 32,932 square feet. The net new total of all off-campus space for use by potential START-UP NY partnerships is 220,757 square feet.

REQUEST FOR OFF-CAMPUS SPACE ADDED:

- INCREASE off-campus space by 32,932 total square feet. This will MODIFY one existing building, increasing space in southern Saratoga County (Malta) – near HVCC North campus.

Table with 8 columns: Unique ID, Building Name, Street Address, City, Zip Code, Floor #, Sq Ft Added, Status. Row 1: SU-101001105201-A, G&G LED, Inc., 10 Hermes Road, Malta, 12020, 1, 32,932, new

G&G LED, Inc. is a manufacturer of customized LED lighting for industrial applications. There has been synergy amongst manufacturing companies growing, developing, and attracting companies into this area, specific to the Luther Forest region. The investment that G&G has made to upgrade and expand the existing facility is a testament to their commitment to the region and industry.

Thank you in advance for your attention and consideration.

Re: Hudson Valley Community College Campus Plan for Designation of Tax-Free Area(s)

Date: July 1, 2024

I, Louis Coplin of Hudson Valley Community College hereby certify the following:

- a.) we have provided a copy of the enclosed Campus Plan for Designation of Tax-Free NY Area, to the municipality or municipalities in which the proposed Tax-Free NY Area is located, local economic development entities, the applicable faculty senate, union representatives, and student government at least 30 days prior to submitting the plan to you and attached evidence of submission herewith; and
- b.) we comply with Public Officers Law Section 74; State University of New York's Policy on Conflict of Interest and; and attached copies of the polices and/or guidelines herewith; and
- c.) we comply with the Commissioner's rules and guidelines on anticompetitive behavior (NY EDL, art. 21, sect. 440); and
- d.) we are aware of the non-governmental use limitations associated with state issued tax exempt bonds and if our proposed Tax-Free NY Area was financed with tax exempt bonds, we will: 1.) make potential businesses aware of these limitations when marketing property; and 2.) take appropriate steps to ensure that non-governmental use of property funded with tax-exempt bonds will not jeopardize the tax exempt status of state issued bonds; and
- e.) we consulted with the municipality or municipalities in which such land or space is located prior to including such space or land in the proposed Tax-Free NY Area and we have given preference to underutilized properties; and
- f.) we have not relocated or eliminated any academic programs, any administrative programs, offices, housing facilities, dining facilities, athletic facilities, parking, or any other facility, space or program that actively serves students, faculty or staff in order to created vacant land or space to be designated as a Tax-Free NY Area; and
- g.) the information contained in the enclosed application is accurate and complete.

Description of Physical Characteristics of Proposed Tax-Free Area(s):

- 195 Cohoes Avenue in Green Island is a privately held property across the river from the downtown Troy hub. It is expanding with new construction attached to an existing building. This location is located in an Industrial park setting 1.5 miles from the Downtown Troy Campus and HVCC seeks ESD waivers for Start-UP NY designation with 28,800 square feet of new manufacturing space. (SU-315-2-B-T2195-000-U)
- The property at 75 102nd Street in Troy is an existing underutilized building with suites that will be designated as Tax-Free Area of 18,036 square feet. These vacant

spaces include open suites and some larger floor space designated for manufacturing, office and light industrial purposes. The privately held building is located 1.4 miles from the downtown HVCC Troy campus. HVCC seeks ESD waivers for Start-UP NY designation. (SU-315-2-B-T2079-000-A)

- *The Quackenbush Building located at 32 Third Street has been newly renovated and will offer multiple vacant spaces and suites on floor one through four comprising 13,737 square feet of off-campus space for Tax-Free Area designation. Within these spaces, the Center of Gravity will offer a variety of shared business services including access to equipment for design, prototyping, and manufacturing, and shared access to professional expertise. Using the Quackenbush space for this purpose leverages CFA funds that are being used for the renovation. There is a possible StartUP NY software company looking at that space. (SU-315-2-B-T2032-001,2,3,4-A).*
- *Property located prominently at 500 Federal Street is a newer vacant office space on the second and fourth floors with 7,406 square feet recently renovated in downtown district good for computer software, mixed use office space. (SU-315-2-B-T2500-004-A and SU-315-2-B-T2500-002-A)*
- *Two floors, second and third floors consisting of 11,811 combined square feet in the building known as the Market Block Building located at the corner of 5 Third Street have recently been renovated and is now vacant. The space is ideal for IT/software design operations. One of the current growing StartUP NY software development companies are hoping to move into the vacant recently renovated space (SU-315-2-B-T2005-002-A and SU-315-2-B-T2005-003-A).*
- *A recently renovated 19th century historic building in the heart of the downtown at 2 Third Street, the Frear building has a total of 8,230 vacant square feet on the second and third floors suitable for mixed office, computer companies and newly formed businesses. A recently formed potential StartUP NY Software company is seeking to locate in this new space. (SU-315-2-B-T2002-002-A and SU-315-2-B-T2002-003-A)*
- *Another historic renovation on 291 River Street, Troy has 1,435 square feet of Tax-Free area or the entire vacant second floor for office and or IT/computer operations. (SU-315-2-B-T2291-002-A)*
- *Property located at 35 Fourth Street known as the Uncle Sam Transit Center has 3,500 square feet of vacant space suitable for mixed office and distribution center use on the first floor. (SU-315-2-B-T2035-001-A)*
- *Property on 274 Second Street in Troy has a new owner. The site is an older, two-floor industrial building being renovated and will now offer 13,558 square feet vacant space as Tax Free Area. This vacant space offers light manufacturing, office and warehouse space is 1.4 miles from the College downtown campus. HVCC seeks ESD waivers for Start-UP NY designation. (SU-315-2-B-T2274-001,2-A)*

- *Also, part of the urban revitalization effort in downtown Troy is located at 275 Fourth Street in Troy. Once a bar, this trendy vacant space of 990 square feet on the ground floor is perfect for a small computer company or offices for a StartUP NY partner. (SU-315-2-B-T2275-001-A)*
- *A newly renovated property known as the Sentinel Building located at 225 River Street, Troy will offer 2,600 square feet of vacant second and third floors of space for office, computer operations and other mixed uses. This property offers amazing views of the Hudson River. (SU-315-2-B-T2225-002,3-A)*
- *Another historic renovation on 251 River Street, Troy is known as the Burdett Building. It will offer 4,924 square feet of Tax-Free area or the entire vacant fifth floor for office and or IT/computer operations. (SU-315-2-B-T2251-005-A)*
- *Adding to the downtown Troy cluster of historic renovated spaces will be the McCarthy Building at 255 River Street. The beautiful vacant first floor, mezzanine and second floor will offer a total of 10,888 square feet for office and or computer operations. This for mixed-use Tax-free area. (SU-315-2-B-T2255-001,2-A)*
- *Two floors of a visible, corner building in the heart of the downtown economic cluster of Troy comprises 6,115 square feet located at 403 Fulton Street. This newly renovated vacant space has lots of natural light and would be suitable for computer software companies and offices. (SU-315-2-B-T2403-002,3-A)*
- *Four floors of an iconic 19th Century Troy building offers 11,547 square feet of vacant space. Known as the Rice building, this space dates from the prosperous Victorian era, the building at 5 First Street has suites and open space on four floors suitable for computer software design companies, offices or light assembly. (SU-315-2-B-T2005R-001,2,3,4-A)*
- *Located at 2247 13th Street is a new space of 5,544 square feet that once was classrooms in St. Paul's School. The Center for Purposeful Creation takes up the first and second floors of this vacant building, these suites are perfect for entrepreneurial work spaces, creative design or software development. (SU-315-2-B-T22238-001,2-A)*
- *A building located at 22 Hamilton Way Castleton-on Hudson 12033 located near the Main Campus in North Greenbush is being renovated for exclusive use by a StartUP NY company. This in a former printing shop that has been vacant for several years. 7,400 square feet of primarily administrative office space is located within in a much larger industrial manufacturing space. The brick structure is excellent as mixed-use with industrial/manufacturing space and office administration space. HVCC seeks a distance waiver from ESD for Start-UP NY designation for this vacant property. (SU-315-1-B-T1022-000-U)*
- *Two story suite in a newer mixed-use office building located at 107 Hermes Road, Malta 12020 is situated in a technology park next door to HVCC Extension Campus*

and in close proximity to an international Semiconductor Manufacturing Fab. This vacant space is ideal for a relocating or growing technology company and contains a total of 31,304 square feet. (SU-315-2-B-M0107-001-A, SU-315-2-B-M0107-002-A)

- *10 Hermes Road in Malta is an existing building with 20,932 sq ft of light industrial space and 12,000 sq ft being constructed as an addition to the existing footprint (32,932 total square feet). This space is also situated in a technology park next door to HVCC Extension campus and in close proximity to an international Semiconductor Manufacturing Fab. (SU-101001105201)*
- *Recently renovated vacant space of 7,057 square feet on the second floor of a historical Masonic Hall is located at 19 Third Street Troy NY 12020. It is available in its entirety or divided into smaller suites. The space is centrally located in a software and gaming hub for budding computer programming companies or general office use. One current StartUP NY partner is considering expanding into this space. (SU-315-1-B-T2019-002-A)*
- *Vacant land comprising a total of 11.25 acres is located at 5 East Industrial Parkway in Troy will be a Tax-Free Area. The property is divided into two plots, is zoned industrial and ready for manufacturing or warehousing operations to build and develop. It will be considered ON-CAMPUS space through an Affiliation Agreement with the Rensselaer County IDA. (SU-315-1-L-T2005-00A,B-A).*
- *Vacant basement space of 6,500 square feet located in the Schodack Middle School at 1477 South Schodack Road will be available as tax-free space for small startup companies to locate. This property is also considered ON-CAMPUS space because of an Affiliation Agreement between the College and the Schodack Wildcat Foundation, a non-profit established by Schodack School District. (SU-315-1-B-T11477-000-A).*

- i. Complete the Excel spreadsheet template provided with this document, noting the instructions on page 2. Include the official SUNY Physical Space Inventory (PSI) building number and a clear description of the spaces in the building or floor (when the entire floor is under consideration), or floor/wing (with outer rooms defining the space specifically listed). Include only properties sought to be designated now and exclude potential sites that may be considered in the future (see 2a below). Attach the completed spreadsheet to this plan.
- ii. Provide also a representation of each proposed site drawn in AutoCAD on a scaled campus map with boundaries drawn clearly. Two versions should be created; one including an imbedded layer from Google Earth or other aerial photograph of the property. The second version should exclude the photographic imagery. Each parcel under consideration must have a unique alpha numeric identifier, clearly labeled on each plan which ties to identifiers in the Excel spreadsheet. If digital files containing Polygon shapefile that delineates area for designation are available, provide these as well. Attach these materials to this plan.
- iii. Provide a campus map with each proposed building shaded. Label each building with the official building number as listed in the SUNY Physical Space Inventory (PSI) along with the building name. For each building shaded and labeled, include floor plans of all areas under consideration with the specific spaces clearly shaded and labeled with official PSI room numbers. If digital files containing Point shapefiles that provide locations of area for designation are available, provide these as well. Attach these materials to this plan.

2) The total square footage of the space and/or acreage of land proposed for designation as a Tax-Free Area is:

The total number of OFF-CAMPUS square feet designated at this time is 220,757 square feet in sixteen properties.

The total number of ON-CAMPUS square feet designated at this time is 13,557 square feet and 11.25 acres.

TOTAL COMBINED OFF-CAMPUS and ON-CAMPUS space designated is: 234,314 square feet and 11.25 acres

2a) *If applicable:* You may include here a description of any potential space or acreage of land that you may seek to designate as a Tax-Free Areas under the START-UP NY Program in the **future**. This may include campus property that may become vacant, or other properties in your community that are not currently part of your campus but may be desirable for a company partner and with which you may consider an affiliation if an appropriate partner is identified. Do not include these properties in the Excel spreadsheet.

Space on all the Hudson Valley Community College campuses is very limited and most office and existing classroom space has been specifically earmarked for educational purposes. Open land around the campus is constrained by development. OFF-CAMPUS available square feet designated for the StartUP NY program is approaching the maximum capacity of the 200,000 square feet. Future amendments will probably remove and re-allocate space that have filled with non-StartUP NY companies and businesses. Some limited space and acreage can be found within a mile of each of all three HVCC sites for future designation as Tax-Free Areas and StartUP NY business development as business partners are identified :

- *The Troy campus is located on 80 Vandenburg Avenue in Troy. In proximity to this space are mixed use and suburban spaces, industrial parks and limited vacant land. These spaces are likely candidates for future Tax-Free designations.*
- *The HVCC Malta extension campus is located 25 miles north of Troy at 345 Hermes Road in Saratoga County in the towns of Malta and Stillwater. TEC-SMART, the Training and Education Center for Semiconductor Manufacturing and Alternative and Renewable Technologies is located at the Saratoga Technology and Energy Park® (STEP®) owned and operated by New York State Energy Research and Development Authority (NYSERDA). The location is next to the Luther Forest Technology Campus, a 1,350-acre campus designed for nanotechnology manufacturing and research and development which houses semiconductor manufacturer GLOBALFOUNDRIES. Both STEP and Luther Forest parks have space and/or buildings which may be open for development ideal for alternative energy, high tech and manufacturing businesses.*
- *Additional potential Tax-Free area sites exist near the EOC campus at the Hedley Plaza in downtown Troy.*
- *Future potential of Tax-free area space designations will probably fall into developing more Affiliation Agreements with non-profit entities, including IDA's as ON-CAMPUS space where there is no limit to the mile-radius or 200,000 square foot limit of space.*

2b) *If applicable:* The total square footage of the space or acreage of land that you may propose to designate as a Tax-Free Area as identified in 2a, if known.

- *Undetermined*

- 3) Provide a description of the type of business or businesses that may locate in the area identified in #1.

The types of businesses that the College is most interested in pursuing include new and expanding biolife sciences and biotech businesses, nanotechnology, semiconductor development, chemical manufacturing and most advanced manufacturing companies. Businesses related to technology development for clean energy production such as existing and emerging fields of solar, wind, geothermal, battery, fuel-cell, biomass and others will be considered for sponsorship. Businesses engaged in energy generation or distribution will not be considered (program regulations §220.6 (b)(1)(xiii). Additionally, HVCC would consider businesses relating to computer science and information systems, web development, health information, management information and other computing businesses.

HVCC will consider start-ups and existing business that will partner with College's new Entrepreneurship A.A.S. degree, which directs students through the start-up pathway, will be deemed relevant if the start-up is in direct alignment with or indirectly lends support to any of the types of business mentioned above. Businesses that list these categories as their primary business and are noted by the Capital Region's regional economic development council as important to the development of the region would be targets for the College's sites. HVCC will NOT consider including any of the businesses prohibited by the StartUP NY regulations

- 4) Provide a description of the campus academic mission, and explain how the businesses identified in #3 will align or further the academic mission of the university or college.

Hudson Valley Community College's vision is to "Deliver what the future demands". The College positions itself to meet the demands of a rapidly transforming world. In delivering a dynamic learning environment, the college prepares those it serves to meet the obligations inherent in being productive and responsible citizens and stewards of a global community. The mission of the College is "to provide dynamic, student-centered, comprehensive, and accessible educational opportunities that address the diverse needs of the community." Both vision and mission serve to frame the strategic directions the college plans to take to enable it to best serve the needs and concerns of its students, faculty, and staff, as well as those of the Capital Region, the State of New York, and the country as a whole. Types of businesses that the college is interested in designating appropriate for consideration are those which reinforce and support college programs and have a linkage to the College's broad vision and mission.

Businesses selected for sponsorship will align with the mission of the college in knowledge creation, knowledge diffusion, and formation of values. These businesses must demonstrate the potential to enhance the college's ability to offer a comprehensive education (both technical and traditional) and offer benefits in the following ways:

- Act as a recruiting tool and improve enrollment in specific areas of specialization of the colleges 85+ degree and certificate programs including alternative energy, IT and computer science, advanced manufacturing, semiconductor manufacturing, business education, entrepreneurship, biotechnology and other emerging technologies *(Table 1 listing specific NYSED Curriculum Codes where alignment occurs below)*
- Guide intellectual growth and innovation by providing leadership and participation in college advisory and campus committees*

- *Incorporate real-world process and skill requirements into college program curricula by assisting with course review and development*
- *Provide internship and training opportunities for hands-on vocational training and learning experiences for students that includes student access to resources and actual equipment*
- *Provide actual business learning opportunities with links to entrepreneurship and business classes*
- *Provide direct job opportunities for campus graduates*

- 5) Provide a description of how participation by these types of businesses in the START-UP NY Program will generate positive community and economic benefits, including but not limited to:
- Increased employment opportunities;
 - Increased opportunities for internships, vocational training and experiential learning for undergraduate and graduate study;
 - Diversification of the local economy;
 - Environmental sustainability;
 - Increased entrepreneurship opportunities;
 - Positive, non-competitive and/or synergistic links to existing businesses;
 - Effect on the local economy; and
 - Opportunities as a magnet for economic and social growth.

Businesses seeking to partner with HVCC and occupy space around the campus in the StartUP NY program will need to demonstrate how they will generate positive community and economic benefits. Hudson Valley Community College will consider a variety of criteria to establish that a business will bring about those benefits. One criteria used for existing businesses in establishing how they will generate community benefits will be based on a statement of previously demonstrated commitment to the community where the business operated in. New and emerging businesses will need to identify the importance of community involvement in their mission statement and business plan and explain in their business application how they will provide a positive impact on the surrounding community. Types of benefits HVCC will be looking for include encouraging volunteerism within the community from hosting a blood drives to sponsoring a little league.

Guiding criteria determining economic benefits of the business applicant will include the following:

- *Increasing employment opportunities within the community at large and for graduates of HVCC's programs;*
- *Providing opportunities for internships, vocational training and experiential learning for undergraduate and graduate study;*
- *Creating positive linkages to existing business; especially small scale, existing local vendors and distributors.*

These criteria will boost local economy and create regional economic development and can be measured. HVCC will initially seek definition of these criteria from each businesses pursuing StartUP NY sponsorship on their business application. The businesses' progress towards the criteria will be evaluated and measured periodically by the college in the annual review process.

- 6.) Provide a description of the process the Sponsor (campus) will follow to select participating businesses. The description should identify the membership of any group or committee that may make recommendations, the final decision-maker, and the criteria that will be used to make decisions. This group or committee must include representation from faculty governance.

The criteria may include some or all of the following:

A. Academic and Research Alignment

1. Is the business in an industry aligned with current and/or developing University research, scholarly, and creative activity?
2. Does the business provide experiential learning and workforce opportunities (e.g., internships, fellowships, full-time jobs) for students and graduates?
3. Does the business provide areas for partnership and advancement for faculty and students?
4. Will the business provide access to research instrumentation, tools, and/or equipment necessary to advance the academic and research mission?
5. Will the business fund scholarships, campus facilities or other academic services or amenities?
6. Will the business and/or its employees contribute to instruction or provide student mentoring?
7. Does the business offer the use of company resources, intellectual property or expertise to support the academic mission?

B. Economic Benefit

1. How many net new jobs will be created?
2. Is the business viable in both the short- and long-term?
3. Will the business attract private financial investment?
4. Does the business plan to make capital investments (e.g., renovation, new construction)?
5. Are the new jobs in critical areas of the economy?
6. How will the University financially benefit from the terms of the lease?

C. Community Benefits

1. Does the business have the support of one or more municipal or community entities?
2. Is the business recruiting employees from the local workforce?
3. Does the business invest in underserved, economically distressed regions?
4. Will the business rely on suppliers within the local and regional economy?

HVCC will use the following internal selection process to determine appropriateness and sponsorship of an interested business for participation in the StartUp NY program :

Step 1: *The President of Hudson Valley Community College will designate a StartUp NY Committee made up of appropriate representation from various departments including: Business Operations and Finance, Academic Vice President, Chief Development Officer, and the Vice President for Enrollment Management and Student Development, the Dean for Economic Development and Workforce Initiatives, the Director for Center for Careers and Transfers, a selected faculty member whose department would benefit from the business partnership, a student designee from the Student Senate, and business members of the community will be invited.*

Step 2: *Interested businesses will submit a completed business application to the College President. Within this document the business will detail how their company will benefit the college and the local community. Information included in this document will detail the number of positions expected in the first and subsequent years, how internship opportunities for students will be structured, and what benefits they will bring to the community.*

Step 3: *The business application and prospectus will be reviewed by the StartUp NY Committee.*

1. *The Committee will first determine if the type of business applicant is eligible for sponsorship.*
2. *Second, the committee will consider if the business applicant will align or further the academic mission of the university or college and be a good fit for existing college degree programs. The Committee will determine which program department chairs would most likely be aligned with the business and invite them to comment. To accomplish this, the Committee will look at whether or not the business will offer:*
 - *Experiential learning, internships, and career opportunities for students.*
 - *Scholarships or equipment donations to the college.*
 - *Senior staff from the company is willing to serve on the appropriate department's Advisement Board.*
3. *Finally, the Committee will review the business application for overall economic benefits and value to the community. Upon positive answers to the evaluation stage gates, the committee will respond accordingly to recommend the business for sponsorship.*

Step 4: *A StartUp NY Committee designee will assure there are no known direct competitors to the business in the region. The steps to assure no competition include: search the NAICS Code indicated on the application for matching existing businesses an existing local business, contact regional economic development entities and Chambers of Commerce seeking their input, place an advertisement in local newspapers for any potential competition to the interested company.*

-If the business is deemed NOT eligible, by virtue of having a direct competitor, or for any other reason the Committee/designee will notify the business in a timely manner that

the college does not intend to sponsor them for the StartUp NY program. The College President will make the final determination if the business is deemed appropriate.

3. *Procedures For Addressing The Conflict Of Interest* - an interested person may make a presentation at the Board or committee meeting, but after such presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement that results in the conflict of interest.
 - a. The chairperson of the Board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
 - b. After exercising due diligence, the Board or committee shall determine whether the Foundation can obtain a more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not give rise to a conflict of interest.
 - c. If a more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interest, the Board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the Foundation's best interest and for its own benefit and whether the transaction is fair and reasonable to the Foundation and shall make its decision as to whether to enter into the transaction or arrangement in conformity with such determination.
4. *Violations Of The Conflicts Of Interest Policy*
 - a. If the Board or committee has reasonable cause to believe that member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
 - b. If, after hearing the response of the member and making such further investigation as may be warranted in the circumstances, the board or committee determines that the member has in fact failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

ARTICLE IV - RECORDS OF PROCEEDINGS

The minutes of the Board and all committees with Board-delegated powers shall contain:

1. The names of the individuals who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the Board's or committee's decision as to whether a conflict of interest in fact existed.
2. The names of the individuals who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection therewith.

ARTICLE V-ANNUAL STATEMENTS

Each director, principal officer and member of a committee with Board-delegated powers shall annually sign a statement which affirms that such person:

1. has received a copy of the Conflict of Interest Policy,
2. has read and understands the policy,
3. has agreed to comply with the policy, and
4. understands that the Foundation is a charitable organization and that in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

ARTICLE VI - PERIODIC REVIEWS

To ensure that the Corporation operates in a manner consistent with its charitable purposes and that it does not engage in activities that could jeopardize its status as an organization exempt from federal income tax, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

1. Whether compensation arrangements and benefits are reasonable and are the result of arm's-length bargaining.
2. Whether partnership and joint venture arrangements and arrangements with management service organizations and physician hospital organizations conform to written policies, are properly recorded, reflect reasonable payments for goods and services, further the Corporation's charitable purposes and do not result in inurement or impermissible private benefit.
3. Whether agreements to provide health care and agreements with other health care providers, employees, and third-party payors further the Corporation's charitable purposes and do not result in inurement or impermissible private benefit.

ARTICLE VIII- USE OF OUTSIDE EXPERTS

In conducting the periodic reviews provided for the Article VII, the Corporation may, but need not, use outside advisors. If outside experts are used their use shall not relieve the board of its responsibility for ensuring that periodic reviews are conducted.

**Annual Statement
of the Board of Directors of
The Foundation**

Each of the undersigned members of the Board of Directors of the Foundation states for himself or herself that he or she:

1. has received a copy of the conflicts of interest policy,
2. has read and understands the policy,
3. has agreed to comply with the policy, and
4. understands that The Foundation is a charitable organization and that in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

BOARD OF TRUSTEES

APPENDIX A

HUDSON VALLEY COMMUNITY COLLEGE
BOARD OF TRUSTEES
Code of Ethics

Enacted by Resolution, October 25, 2011 and amended December 18, 2012

Article I: Purpose

The purpose of the Code of Ethics is (i) to protect the College's interest; (ii) to provide guidance to the Trustees and Officers of the Board exercising their fiduciary duties in the management of the College and its affairs, (iii) to provide a procedure for disclosure of potential conflicts of interest, and (iv) to establish standards of conduct. This policy is intended to supplement but not replace any applicable state laws governing conflicts of interest applicable to the Trustees of Community Colleges.

Article II: Definitions

"Acceptable Reasons" shall include only medical issues/illness, family emergencies, or other circumstances deemed extraordinary by the Board.

"Attend or Attendance" shall mean the presence throughout the meeting in person or by videoconferencing. While videoconferencing is an acceptable means of attendance, Board members are strongly encouraged to attend all meetings in person whenever possible.

"Conflict of Interest" shall mean that a Trustee or Officer of the Board has existing or potential financial or other interests which impair or might reasonably appear to impair such Trustee's or Officer's independent, unbiased judgment in the discharge of his or her responsibilities to the College, or such Trustee or Officer of the Board is aware that a member of his or her family, which for purposes of this Code of Ethics shall be a spouse, parents, siblings, children, and any other relative or person who resides in the same household as the Trustee or Officer of the Board, or any organization in which such Trustee or Officer of the Board (or member of his or her family) is an officer, director, employee, member, partner, trustee, or controlling stockholder, has such existing or potential financial or other interest. [HVCC Code of Ethics for Employees ("Employee Code") §6.291]

"Fiscal Year" shall mean each year commencing on September 1 and ending the following August 31.

"Prohibited Activity" shall mean and include:

1. No Trustee or Officer of the Board shall accept other employment which will impair his or her independence of judgment in the exercise of his or her official duties. [Public Officers Law ("POL")§74 3(a)]
2. No Trustee or Officer of the Board shall accept employment or engage in any business or professional activity which will require the Trustee or Officer of the Board to disclose confidential information which he or she has gained by reason of his official position or authority. [POL §74 3(b)] [Employee Code]
3. No Trustee or Officer of the Board shall disclose confidential information acquired by him or her in the course of official duties nor use such information to further his or her personal interests. [POL §74 3(c)] [GML §805-a (b)] [Employee Code]
4. No Trustee or Officer of the Board shall use or attempt to use his or her official position to secure unwarranted privileges or exemptions for himself or herself or others, including but not limited to, the misappropriation to himself, herself or to others of the property, services or other resources of the College for private business or other compensated nongovernmental purposes. [POL §74 3(d)] [Employee Code]
5. No Trustee or Officer of the Board shall engage in any transaction as representative or agent of the College with any business entity in which he or she has a direct or indirect financial interest that might reasonably tend to conflict with the proper discharge of official duties. [POL §73 3(e)] [Employee Code]
6. No Trustee or Officer of the Board shall by his or her conduct give reasonable basis for the impression that any person can improperly influence the Trustee or Officer of the Board or unduly enjoy his or her favor in the performance of official duties, or that he or she is affected by the kinship, rank, position or influence of any party or person. [POL §74 3(f)] [Employee Code]
7. A Trustee or Officer of the Board shall abstain from making personal investments **in** enterprises which he or she has reason to believe may be directly involved in decisions to be made by the Trustee or which will otherwise create substantial conflict between the Trustee's or Officer of the Board's duty in the public interest and his private interest. [POL §74 3(g)] [Employee Code]
8. A Trustee or Officer of the Board shall endeavor to pursue a course of conduct which will not raise suspicion among the public that he or she is likely to be engaged in acts that are in violation of trust. [POL §74 3(h)]
9. No Trustee or Officer of the Board shall directly or indirectly solicit any gift, or accept or receive any gift having a value of seventy-five dollars or more, whether in the form of money, service, loan travel, entertainment, hospitality, thing or promise, or in any other form, under circumstances in which it could reasonably be expected to influence him or her in the performance of official duties, or was intended as a reward for any official action on his or her part. [GML §805-a(1) (a)]

10. No Trustee or Officer of the Board shall receive or enter into any agreement, express or implied, for compensation for services to be rendered in relation to any matter before the Board of Trustees or the College. [GML §805-a(1) (c)]
11. No Trustee or Officer of the Board shall receive or enter into any agreement, express or implied, for compensation for services to be rendered in relation to any matter before the Board of Trustees or the College whereby the Trustee's or Officer of the Board's compensation is to be dependent or contingent upon any action with respect to such matter. [GML §805-a(1) (d)]
12. No Trustee or Officer of the Board shall allow his or her outside position or profession to influence or interfere with such officer's fiduciary obligations to the College.

Article III: Attendance

- A. A Trustee shall attend in person or by videoconferencing at least seventy-five percent (75%) of the regular and special meetings of the Board each fiscal year. If there are only eleven (11) regular meetings, each member shall attend at least 8. A member who intends to attend by videoconferencing shall notify the Assistant Secretary at least seven (7) days prior to the meeting to allow arrangements to be made to comply with Article 7 of the POL. The Assistant Secretary shall keep an annual attendance record for each Trustee. If a member will be unable to attend a meeting, he or she shall notify the Assistant Secretary that he or she will be unavailable and the reason for such unavailability as soon as possible. The Secretary shall note the reason for unavailability in the attendance record.
- B. The Chair of the Board of Trustees, Secretary or Assistant Secretary of the Board of Trustees shall notify the Appointing Authority in September of each year of the name of any Trustees who have not attended at least seventy-five percent (75%) of the regular and special meetings during the preceding Fiscal Year, and the reasons therefore if the Trustee provided Acceptable Reasons.

Article IV: Standard of Conduct and Procedures

- A. No Trustee or Officer of the Board shall engage in Prohibited Activity.
- B. Any Trustee or Officer of the Board who has, will have, or later acquires an interest in any actual or proposed contract with the College shall publicly disclose the nature and extent of such interest in writing to the Board of Trustees as soon as he or she has knowledge of such actual or prospective interest. Such written disclosure shall be made part of and be set forth in the official record of the proceedings of The Board of Trustees. Once a disclosure has been made with respect to an interest in a contract with a particular person, firm, corporation or association, no further disclosures need be made by such Trustee or Officer of the Board with respect to additional contracts with the same party during the remainder of the fiscal year. [GML §803(i)]
- C. After disclosure of a Conflict of Interest and all material facts, the Trustee or Officer of the Board shall leave the meeting and the Trustees shall determine by a vote of those present

whether a Conflict of Interest exists. If the Board of Trustees determines that a Conflict of Interest exists, it shall approve the transaction or arrangement if after any further investigation, it appears that the transaction or arrangement is in the best interests of the College. The interested Trustee or Officer of the Board shall not be present during the discussion nor participate in the vote.

D. Penalties

1. Any Trustee or Officer of the Board who willfully and knowingly violates the provisions of this Code of Ethics shall be subject to the penalties described in GML §805, where applicable.
2. The President shall notify the Chairman of the Board (or Vice Chair) if he or she believes that a Trustee or Officer of the Board has violated the provisions of this Code of Ethics. The Board of Trustees shall notify any Trustee or Officer of the Board it believes has violated the provisions of this Code of Ethics. The notification shall specify the section of the Code of Ethics alleged to have been violated and the facts and circumstances surrounding such allegations. The Trustee or Officer of the Board shall have an opportunity to present information, including documents and written and other oral statements to refute the allegations. The Trustees shall then determine by a majority vote whether the Board believes the violation occurred and may ask for the resignation of such Trustee or Officer of the Board, and such other relief as it may deem appropriate under the circumstances.

Summary

START-UP NY is a state economic development program that positions SUNY campuses as magnets for entrepreneurs and businesses from around the globe. START-UP NY aligns with SUNY's mission of teaching, research and public service; enabling engagement with industry, knowledge acceleration, translation of research into practical applications, and delivering the 21st century workforce businesses need to grow and thrive. START-UP NY will transform university communities to deliver unprecedented economic benefits to New York. To participate in the program, all campuses must comply with this policy and any applicable rules and regulations issued by the NYS Commissioner of Economic Development.

This policy governs the review process that all participating campuses must follow to secure SUNY's approval of the plans, applications, and other documents required by the NYS Commissioner of Economic Development to participate in the START-UP NY program. It also prescribes special requirements for the disclosure and management of actual or potential conflicts of interest in matters pertaining to the campus' START-UP NY program. Any conflict between this policy and any other applicable Conflict of Interest policy shall be resolved in favor of disclosure of any potential, actual, or perceived conflict of interest relating to the campus' START-UP NY program to the President or Chief Executive Officer of the sponsoring campus.

Policy

- A. **Campus Plans for Designation of Tax-Free Area(s):** Any campus intending to submit a Campus Plan for Designation of Tax-Free Area(s) ("Campus Plan") to the NYS Commissioner of Economic Development must first have it reviewed and approved by the Chancellor or designee. The Chancellor or designee shall approve or reject all Campus Plans within fifteen (15) business days of receipt. Any rejected Campus Plan shall be accompanied by an explanation of the basis for rejection. Once approved by the Chancellor or designee a campus may submit its Campus Plan to the NYS Commissioner of Economic Development in accordance with the Commissioner's rules and regulations. Any Campus Plan that is rejected can be resubmitted for Chancellor

or designee approval and will be reviewed in accordance with this policy and related procedures. Any amendments to approved Campus Plans must be submitted for Chancellor or designee approval and will be reviewed in accordance with this policy and related procedures.

- B. **Sponsoring University or College Applications for Business Participation:** Any campus intending to submit a Sponsoring University or College Application for Business Participation ("Sponsor Application") to the NYS Commissioner of Economic Development must first have it reviewed and approved by the Chancellor or designee. The Chancellor or designee shall approve or reject all Sponsor Applications within thirty (30) business days of receipt. Any rejected Sponsor Application shall be accompanied by an explanation of the basis for rejection. Once approved the campus may submit the Sponsor Application to the NYS Commissioner of Economic Development in accordance with the Commissioner's rules and regulations. Any Sponsor Application that is rejected can be resubmitted for Chancellor or designee approval and will be reviewed in accordance with this policy and related procedures. Any amendments to approved Sponsor Applications must be submitted for Chancellor or designee approval and will be reviewed in accordance with this policy and related procedures.
- C. **Delegations:** The Chancellor or designee may charge a group of individuals, collectively called the SUNY START-UP NY Proposal Review Team, to evaluate all submitted Campus Plans and Sponsor Applications prior to accepting or rejecting them.
- D. **Conflicts of Interest:** Service as an Official shall not be used as a means for private benefit or inurement for any Official, a Relative thereof, or any entity in which the Official or Relative thereof has a Business Interest. A conflict of interest exists whenever an Official has a Business Interest or other interest or activity outside of the university that has the possibility, whether potential, actual, or perceived, of (a) compromising the Official's judgment, (b) influencing the Official's decision or behavior with respect to the START-UP NY Program, or (c) resulting in personal or a Relative's gain or advancement. Any Official who is an owner or employee of an entity that is the subject of any matter pertaining to the university's START-UP NY Program, or who has a Business Interest in any entity that is the subject of any matter pertaining to the university's START-UP NY Program, or whose Relative has such a Business Interest, shall not vote on or otherwise participate in the administration by the university of any START-UP NY matter involving such entity. Any Official or other campus representative who becomes aware of a potential, actual or apparent conflict of interest, either their own or that of another Official, related to a sponsoring university or college's START-UP NY program must disclose that interest to the President or Chief Executive Officer of the sponsoring college or university. Each such President or Chief Executive Officer shall maintain a written record of all disclosures of actual or potential conflicts of interest made pursuant to this policy, and shall report such disclosures on a calendar year basis, by January 31st of each year, to the University Auditor or to the Chancellor's designee, in which case the University Auditor shall be copied on the correspondence to such designee. SUNY shall then forward such reports to the Commissioner of Economic Development for the State of New York, who shall make public such reports.
- E. **Exceptions:** There are no exceptions to this policy.

Definitions

Business Interest means that an individual (1) owns or controls 10% or more of the stock of an entity (or 1% in the case of an entity the stock of which is regularly traded on an established securities exchange); or (2) serves as an officer, director or partner of an entity.

Official means an employee at the level of dean and above as well as any other person with decision-making authority over a campus' START-UP NY Program, including any member of any panel or committee that recommends businesses for acceptance into the START-UP NY program.

Relative means any person living in the same household as another individual and any person who is a direct descendant of that individual's grandparents or the spouse of such descendant.

Sponsoring College or University means any entity defined or described in NYS Education Law Sec. 352 and Article 126.

START-UP NY Program means the SUNY Tax-free Areas to Revitalize and Transform Upstate New York Program established by Article 21 of the Economic Development Law.

Tax-Free NY Area means vacant land or space designated by the Commissioner of Economic Development Article

21 of the Economic Development Law that is eligible to receive benefits under the START-UP NY program.

Other Related Information

[Start-Up NY Regulations](#); available at the [Start-Up NY Website](#).

At least thirty days before submitting the Campus Plan to the Commissioner of Economic Development the campus must provide a copy of the Plan to the chief executive officer of the municipality or municipalities in which the proposed Tax-free NY Area is located, local economic development entities, the applicable university or college faculty senate, union representatives and the campus student government. The campus shall include in their submission to the Commissioner of Economic Development certification of such notification, as well as a copy of any written response from chief executive officer of the municipality or municipalities in which the proposed Tax-free NY Area is located, local economic development entities, the applicable campus or college faculty senate, union representatives and the campus student government.

History

Enacted into law in June 2013, START-UP NY is a groundbreaking new initiative from Governor Andrew M. Cuomo that provides major incentives for businesses to relocate, start up or significantly expand in New York State through affiliations with public and private universities, colleges and community colleges. Businesses will have the opportunity to operate state and local tax-free on or near academic campuses, and their employees will pay no state or local personal income taxes.
